Deena:

Can you add this State Natural Resources Trustee representative to the klist of ccs for the Special notice? All ccs should be sent with attachments.

Thanks, Tom

Subject: Need to Add State

List of cc's In SNLs

Hi Deena, I just noticed that Tom forgot to add the name and address of the State Natural Resources Trustee (Brian Tucker) to the list of cc's in the SNLs. Please add Brian's name and info after the Federal Natural Resources Trustee to the SNLs before you put it in signoff. Brian's name and address are in the last email message below. Thanks! Karen.

Damages

To: Thomas

cc:

Subject: Natural Resources

Hi Tom - I got the contact for the state Natural Resources Trustee. He wants to know, for planning purposes, if there are any intentions of pursuing natural resource damages claims at the site. Is this something that is up to the federal Natural Resources Trustee at DOI? I know absolutely nothing about this but didn't think that this was something that EPA did. In all the items that I have sent to DOI over the years I

have never heard back on one of them. Do you know anything about this? At best maybe I can just give the State guy the name and number of our person at DOI. Please let me know. Thanks! Karen.

Brian Tucker <brian.tucker@epa.s Cibulskis/R5/USEPA/US@EPA tate.oh.us> of Your Agency and Mailing 07/29/02 01:11 PM	To: Karen cc: Subject: Re: Need the Name Address
--	---

Hi Karen,
Thank-you for your note and future contact. Are there intentions on pursuing any NRD claims at the site? Just wondering for planning purposes. Our NRD program, if I may use the word, is not well defined at present. However, I am the lucky individual that gets to help develop the program in the very near future. Give me a call sometime and I can give you additional details on the current process that is in place here at Ohio EPA.
Thanks again,
Brian

Hi Brian, I am the U.S. EPA remedial project manager for the South Dayton Dump site in Moraine, Ohio. We are getting ready to send out Special Notice Letters inviting potentially responsible parties to enter into an Administrative Order on Consent with us to conduct the remedial investigation and feasibility study at the site, and I need to send a copy to both the state and federal natural resource trustees. I understand that you are the Ohio Natural Resource Trustee but I'm not sure what agency you work for and what your mailing address is. Could you please let me know so I can include you in our mailing? Thanks!
